Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	For preferred <a href="#">providers</a> : \$0/individual or \$0/family. For nonpreferred <a href="#">providers</a> : \$200/individual or \$400/family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this plan begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. There is no deductible for preferred <a href="#">providers</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without cost-sharing and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For preferred <a href="#">providers</a> : \$500/individual or \$1,500/family. For nonpreferred <a href="#">providers</a> : \$750/individual or \$2,000/family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, health care this plan doesn't cover and penalties for failure to obtain <a href="#">preauthorization</a> for services.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.mycigna.com">www.mycigna.com</a> or call 1-800-624-7130 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a referral.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
